MERCEDES-BENZ
180/180 D-190-190 SL-219-220S-300-300 SL

Oldest Tradition - Modern Design

lasting beauty, quality and power of the Mercedes-Benz cars
 grew out of 70 long years of experience in car-making.
 This experience – leading to famous success in hard international competitions –
 is the basis of the manufacturing program of Daimler-Benz A.G., Germany:
 Passenger cars, trucks, buses, special vehicles, the universal tractor Unimog
 and Diesel engines for all purposes.
